BONDS AND INSURANCE

To Whom It May Concern:

RE: Professional Contractors & Engineers  
Columbia, Missouri

Gentlemen:

We are pleased to write a letter on behalf of Professional Contractors & Engineers outlining their current bonding arrangements. Our Agency handles the surety bond needs of PC&E and has done so for several years. This firm is highly qualified and brings with them a proven track record and excellent surety relations.

Their bonds are written by Fidelity and Deposit Company of Maryland out of Baltimore, Maryland. Fidelity and Deposit is rated A by A. M. Best & Company.

Over the years Fidelity and Deposit has written bonds for PC&E in the \$10,000,000 range. Subject to normal underwriting considerations at the time, we anticipate no problem in responding to bonding requirements you might have on your projects.

If you should have any questions, please contact the undersigned.

Sincerely,

FIDELITY AND DEPOSIT COMPANY OF MARYLAND

  
Judith A. Page
